Engagement and Behaviour Policy

In Ysgol Llanfair DC our aim is to ensure that all learners become:

- Ambitious, capable learners, ready to learn throughout their lives.
- Enterprising, creative contributors, ready to play a full part in life and work.
- Ethical, informed citizens of Wales and the world, ready to be citizens of Wales and the world.
- Healthy, confident individuals, ready to lead fulfilling lives as valued members of society.

To achieve the best outcomes for our learners it is essential that strong collaboration and partnerships exist between the pupil, the school and home.

Learners learn best in a disciplined and orderly atmosphere where they are often reminded of expectations. Our rules are clear and set the standards that learners should aspire to, in and out of the classroom. Good discipline is of whole school importance and the responsibility of each member of staff at all times. A consistent and firm response from our staff to promote positive behaviour, and tackle unacceptable behaviour, reinforces our expectations of the learners.

Problems are normal whenever people interact, especially when young people are learning and testing the boundaries of acceptable and agreed behaviour. Success can be judged not by an absence of problems but by the way we deal with them. We should always endeavour to distinguish between the problem and the person. Young people will always make mistakes and when they do, there needs to be a response, not a reaction.

Our expectations also outline the behaviour, attitude and order each member of our school community should follow at all times.

School Expectations: A, B, C, Rheolau Aur, Ysgol Llanfair

Agwedd da- A good attitude

Everyone should arrive at school with a good attitude towards school life. A positive attitude towards all members of the school community and learning.

Behaviour management

At Ysgol Llanfair DC we are committed to ensuring that effective teaching and learning takes place and appropriate and positive behaviour is compulsory in all aspects of school life. We seek to create a positive learning atmosphere through:

- **Promoting positive behaviour and discipline.**
- **Promoting self-respect, self-discipline, respect towards authority.**
- **Promoting positive relationships which are based on mutual respect.**
- **Promoting consistency whilst responding to positive and negative behaviour.**

As a school attached to the Church in Wales, Ysgol Llanfair Dyffryn Clwyd promote Christian Values throughout the year. We believe they underline the principles of the school and help the learners to develop a solid foundation so that they grow up to be citizens with values and ethics.

Classroom Management - Traffic Light System

In each class monitoring learners behaviour is the the responsibility of the class teacher in partnership with the class support. All learners and staff are aware of what constitutes behaviour for each 'traffic light colour' and consequences that may follow.

BEHAVIOUR GUIDANCE – TRAFFIC LIGHTS

	BEHAVIOUR	CONSEQUENCES
	Speaking politely. Keeping my hands and feet to myself. Respecting the personal space of others. Taking turns and sharing. Using equipment correctly. Travelling around the school sensibly.	Well done for your continued positive and valued behaviour. 
	Calling out in the class. Distracting/disrupting the learning of others. Interfering with others and taking property. Being defiant towards staff. Pushing and pocking others.	Warning- reminder of expectations. Chance to chance behaviour for the better. Time to reflect away from others. Discuss behaviour with class teacher.
	Using abusive and threatening language. Purposely damaging property. Continuing to be defiant towards staff. Fighting, stealing and swearing.	A restorative justice discussion. Time away from the class – discussion with the Headteacher. Discussion with parents/carers. Intervention if behaviour persists.

Restorative Approach Discussions

Ysgol Llanfair Dyffryn Clwyd respects individual rights and community cohesion and therefore uses a restorative justice approach to resolving conflict and preventing harm. Restorative approaches enable those who have been harmed to convey the impact of the harm to those responsible, and for those responsible to acknowledge this impact and take steps to put it right under the supervision of staff members.

Staff use restorative approaches based on four principles in discussions with pupils:

Respect: everyone involved listens to all opinions and views and learns to value them.

Responsibility: all involved take responsibility for their role and actions in a conflict.

Repair: empathise and acknowledge harm and develop feelings and skills to resolve conflict.

Re-integration: resolving the conflict and re-build relationships and trust in the community.

Recognition of Achievements and Positive Behaviour

Opportunities to reward Learners for their achievements.

- **Classroom level** – Teachers are highly skilled at identifying opportunities to praise Learners and recognise their successes, such as Learning Powers, behaviour, achievement, courtesy, speaking Welsh.
- **Headteacher**– Learners will be invited to meet with the Headteacher to recognise their achievements.

Example of the eight Learning Powers - Pwerau Dysgu.

At Ysgol Llanfair Dyffryn Clwyd we adopt a Pwer Dysgu – Learning Power approach when looking to praise and reward the children a Seren yr Wythnos. During weekly Services learners are praised and rewarded in front of the whole school for their efforts. Each class teacher selects the pupil/s who display behaviour linked to one of the eight Learning Powers.

Seren yr Wythnos Certificate.

As at any school, almost all of our learners are polite and well behaved most of the time. They are keen to learn and participate fully in all aspects of school life. For Learners to achieve at the highest level of which they are capable, good attitudes, parental support and the establishment of the right conditions for learning are all essential. Acceptable standards of behaviour and respect depend upon the example of us all: we all have a positive contribution to make. Good order has to be worked for, it does not simply happen. Everyone at the school is here for a purpose and every person should be respected and treated as an individual.

Staff have rights and responsibilities to keep (Appendix A). These are important as staff collaborate and influence the children under their care, the children also have rights and responsibilities (Appendix B). With being members of the school community parents and carers also have duties (Appendix C).

Relationships are vital – between everyone and at every level.

We should all make an effort to:-

- **Greet and be greeted**
- **Speak and be spoken to**
 - **Smile and relate**
 - **Communicate**
 - **Make a difference**
- **Show equality and fairness.**

Cyfrifoldeb – Responsible
Everyone should show respect towards themselves and all members of the school community and to take responsibility for their own actions.

Rights and Responsibilities

Ysgol Llanfair Dyffryn Clwyd and its staff have the right to:-

- Enforce the school's behaviour policy including rules and disciplinary measures.
- Expect learners and parents cooperation in maintaining an orderly climate of learning.
- Expect learners to respect the rights of other Learners and adults.
- Not tolerate abusive or violent behaviour.
- Involve outside agencies as appropriate.

Classroom Expectations.

The rules of the classroom need to be few in number and referenced regularly by the classroom teacher. Learners should be questioned about the rules and asked to offer reasons why we have such rules. The rules will only remain effective if all the teachers use them on a regular basis.

It is vital that we manage our expectations based on the pupil's ability and understanding.

All staff should follow the same procedures :

- Always start and end a lesson on time.
- Always take a class register and make a note of any pupils who are late.
- Learners always know learning objective and that resources are available.
- Remind the learners regularly of the expectations and consistently give praise.
- Do not leave the classroom, unless there is an emergency.
- Keep learners on task throughout the lesson and do not let them leave the classroom, unless there is an emergency.

- Identify the classroom hot spots, and strategically locate ourselves in response to this.
- To know the name of all pupils who are in our care.
- Take responsibility for discipline and utilise the 'traffic light system' for behaviour.
- Every day is a new start
- Every lesson is a new start.
- To hold reconciliation meetings – use restorative practices in discussions.
- Use praise certificates weekly – Learning Powers Star of the Week and Deio Draig for the class showing best effort in speaking Welsh.
- Create a recognition board.

All staff should:

- Model good behaviour.
- Maintain emotional control – give yourself time to think before reacting
- Uphold your dignity to sustain a relationship with the child.
- Be calm.
- Be confident.
- Be consistent.
- Show compassion.
- Maintain a professional relationship – separate the behaviour from the child.
- Understand they can influence change and that when an adult changes, everything changes.
- Recognise that everything depends on the adults' behaviour.
- Be proactive in ensuring you keep up to date on individual pupil needs
- Share good practice and success

We should follow all of the above to ensure we don't:

- Humiliate
- Shout – it belittles others and diminishes impact
- Over-react or act impulsively
- Punish everyone in a group, or punish something you can't prove.
- Use sarcasm.
- Abuse your authority.
- Use empty threats
- Make empty promises
- Hold a grudge

Behaviour Management Strategy, to create a positive learning environment.

1. Plan Lessons for good behaviour

- **High Expectations**

If there are high expectations for all learners, they will be more likely to succeed. You must set clear boundaries and you must re-visit them frequently.

- **Differentiate**

Excellent teaching can reduce behaviour problems, but this is not always the case. Research shows that clear explanations and tasks which are matched to the needs of the learners improve attitudes towards learning.

- **Good pace in a lesson**

A well paced lesson can help ensure learners are engaged and productive throughout.

An organised learning environment

An orderly and tidy learning environment can help promote good concentration and avoid distraction.

2. Staff-Pupil Relationship

You should ensure that everyone is treated fairly and with consistency. **Every lesson is a new start.**

3. The teacher's passion

If a teacher has passion for the subject, this will be conveyed to the learner.

4. The teacher is ready for the lesson

If a teacher is in the classroom ready to greet the pupils and engage in eye contact, this is an advantage and gives control and control of the classroom. You should consider an appropriate seating plan for each class.

5. Praise

Staff should consider using praise three times to every one reprimand, this can change an individual's attitude during a period of 2/3 weeks. **'Catch them being good'**.

6. Language

Staff should always use positive language. E.g. rather than saying "will you stop talking" you can say "I want everyone to listen now!", rather than "Dylan, don't turn around to talk to Bethan", you can say "Dylan, thank you, I need you to face me and focus on your work'. Try not to use uncertain questions, give polite and courteous instructions.

7. Be consistent

Whatever your behaviour strategy, you must be consistent, and everyone should be treated equitably.

Beyond the classroom

All staff have a collective responsibility to promote positive behaviour beyond their classroom

Undirected time can contribute to a deterioration in the behaviour of learners.

We can all promote good behaviour through positive interactions at every opportunity.

We should expect to:

- Enjoy relating to one another.
- Welcome all members of the school community.
- Start a conversation at every opportunity.
- Deal with poor behaviour, to ignore is to condone.
- Set high standards of speech, manner and dress.

It is good practice to regularly discuss and review these procedures with all members of the school community.

The behaviour around the school and the late arrival of Learners can have a detrimental effect upon your lesson and other lessons going on within the school.

The following is to be used as basic guidance for the behaviour around school. Ensure as much as possible that you reinforce the procedure below.

Dealing with poor behaviour

While responding to unacceptable behaviour, staff should take note of the below advice:

- All staff should adhere to our whole school strategy for managing behaviour.
- If a learner seems to be “playing to the audience”, deal with them away from the audience.
- Convey to the learner that you have high expectations of them and are disappointed when they let themselves down.
- Make it clear to a learner that once an incident has been dealt with then as far as you are concerned it is finished. You expect normal relations to be re-established. Every lesson should be a chance to make a fresh start.
- The closer the sanction is in time to the misdemeanour, the more effective it is likely to be.
- Sanctions aimed at a learner rather than at the behaviour, should be avoided at all costs. Sarcasm, embarrassment, fear etc, will worsen matters rather than help them. Ask yourself how you would feel if you were in the same situation.
- Remember it is usually not personal.

Malicious allegations

If an allegation is made against a teacher the quick resolution of that allegation should be a clear priority to the benefit of all concerned. At any stage of consideration or investigation, all unnecessary delays should be avoided.

Allegations should be dealt with using appropriate policies and procedures.
